Introduction

Colcom Foods **Product Catalogue**

About Colcom

Now in its 75th year, Colcom is a long established household brand name in Zimbabwe.

Synonymous with a reputation for a wide range of delicious, hygienically prepared quality products, Colcom caters for differing market requirements. This reputation has also spread into other countries in the region.

Strict Government veterinary standards, controls and inspections, from pig production through to export rated factory facilities, are applied and complied with.

A major step was taken in 1998 when, in line with international trends, Colcom vertically integrated its operations in a world-class state-of-the-art pig production unit, Triple C Pigs.

Products under the Colcom brand include: fresh pork, hams, bacons, fresh and cooked sausages, pies, cooked cold meats, polonies and canned meats.

Danmeats is a well-known brand comprising a wide range of top-quality cold meats.

Product Information

- Only the best quality ingredients are used in the recipes, while the highest standard of hygiene is maintained throughout the manufacturing processes.
- All Colcom products are manufactured under the supervision of trained staff, thereby providing the best quality products.
- Quality in the manufacturing process is a priority, thereby ensuring tasty and nutritious products that will keep their shelf-life, if the recommended storage & handling conditions are adhered to.
- The shelf-life indicates the use-by date of the product
- The shelf-life of sliced products is lower than that of bulk products.
- Products containing no pork are: Colcom Oxford Beef Sausages, Colcom Beef Polony, Colcom Chicken Polony, Tastee Beef Polony, Tastee Chicken Polony, Colcom Beef Pie, Colcom Chicken Pie, Colcom Peri Peri Chicken Pie
- Ingredients are always listed from majority to minority
